4th Birthday!

For some reason, I failed to write a journal entry for her 4th birthday. Sorry Hailey! I do remember that you had two friends come over along with family. We ate pizza, played Pin the Tail on the Donkey, ate cake and opened up a lot of presents! Your dad made a puppet theater for you and we had fun playing with the puppets after the guests left. I gave you your first sleeping bag and a Fisher Price camping play set. Grammy and Smokey gave you a fun baby swing, stroller and pack-n-play set.

You had 4 friends come over for a princess party the week before your birthday. On your birthday, we threw you a surprise party in the barn at the lake house. You went fishing with your daddy after watching the first half of the OU game. It was a nice, relaxing day. I can't believe you are already five. I wish I could spray you with some magical stuff that will make you be little forever. Your deep thoughts and funny sayings make me laugh and wish I was like you again. Happy 5th Birthday!
