

Hailey's Flower's and Bear from Daddy

Pretty Purple Flowers and Bear

My Beautiful Flowers from Brady

My Card said "Merry Valentine's Day. I love you, Brady" At around 2:45 the doorbell rang. We received flowers! I love flowers. Especially ones from my husband. When we were visiting my mother in Houston, Brady sent us both flowers and she remembers it. So when she saw the vase with the bear, her eyes lit up. Very sweet daddy. We love you!
