Hailey and Hunter came to see me dressed like this yesterday afternoon. Hailey wanted to put on her swimsuit. Hunter loves to do whatever Hailey does so he dug in her dance drawer and pulled out a gymnastics outfit! I remember playing dress up with my brother who is 5 years younger than me. I am sure he hates those pictures my mother took of him but it was fun for me. He didn't get to wear this very long. I couldn't stand looking at him in it. It is just not right!
