[video:http://www.youtube.com/watch?v=pIZWBx2QxjU 600x600]

Look how tiny Hunter is dancing and check out that pacifier. Strange to see that in his mouth!

The video and these pictures were found on the internal memory of our camera. Fun finds. The pictures are from Hunter's birth. Brady and Hailey slept in the hospital and they had fun playing on the pull out bed. The picture of Nathan is when Tessa came to see me after Hunter's birth.
