After family pictures, Ryan and his family departed for their home in Idaho Falls. Papa and Rhonda took Maxine home and the rest of us went to the cemetery to visit grandfather's grave. I actually went there with grandmother, Papa and Hailey a year after he and mom passed away. It is a pretty little cemetery and he is buried next to relatives.

We cleaned up some back at grandmother's with plans to return tomorrow and headed back to the hotel to do laundry, bathe and sleep. I had one load of laundry to do and Jennifer was gracious enough to let me go first. Hope you got some sleep Jenn. Thanks!
