After saying goodbye to Papa and Rhonda, the girls had their picture taken in front of a potato field that was to the side of our hotel. They were wearing their shirts Rhonda made for them.

Then Daenon, Jennifer, their girls and us drove to the farm. We visited with them for a bit inside and then we took a riding tour of the property in Cal's truck. Brady, Daenon and Hunter followed behind in the rental car. Hailey got another taste of farm life from the large flies to the smell of money.

Before we got in the vehicle though, the girls spied a cat and loved it all up!

After swimming Scott fixed his hair like my mom and my mother and I did.

THANK - YOU BRENT FOR HELPING MAKE OUR REUNION GREAT. LOVE YOU!!!
