We continued making our way out of Yellowstone and got caught in some lovely construction traffic for a bit. At times it wasn't so scenic and quite dusty. We did see an Eagle flying by but our picture was blurry as we were moving and couldn't stop at the time. Hailey enjoyed riding in the car with her cousins though. I am glad she was able to play and get to know them better. I am sure 3 yappy girls in the car drove my brother insane but they loved it. Thanks for having her!

Then I caught sight of the Grand Tetons. How pretty. I would love to come back and tour this area someday and camp there. I saw lots of inviting areas! I took some pictures as we were driving.

There were lots of turnouts to view the Tetons. We chose this spot...
