I ordered tickets the first week of December to ride on the Christmas Train in Oklahoma City. The year before we rode on the Polar Express in the Grand Canyon and it was so enjoyable. I knew Hunter would really enjoy getting to ride on another train and HE DID!

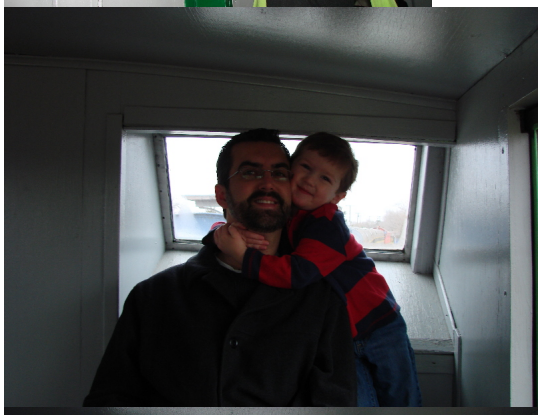

We arrived just as the previous train was returning. Hunter was thrilled. It was bitter cold outside and the wind was blowing a little bit. We took cover as best as we could until we were allowed to board the train. We boarded a train car but after sitting on it for a bit switched because the caboose was open. We had to sit on that one! When we went on the Thomas train, we were in the same one and I think those are the best seats.

BEFORE SWITCHING TO THE CABOOSE...
