Our sweet little boy turned **THREE** years old on Saturday. We thought we would make his day extra fun and bought tickets to ride on the Amtrak from here to Gainsville, Texas. He is just a wee bit obsessed with *REAL* trains.

Birthday Invitation

The train departed at 8:25 so we had to wake the children up much earlier than they rise in the morning. It was bitter cold outside but we were all excited. The temperature in the car at one point said 5 degrees so I took a picture of it with my phone camera. Then it read zero degrees. That is crazy cold!
