Today I put my recliner in the middle of the living room near the tv and set Hailey up and made her comfy. (Not so crazy about her potentially throwing up on the couches!) She has been in and out of sleep, sipping gatorade slowly (after I convinced her it was NOT Hunter's yucky pedialyte) and watching tv. She only ate about 1/2 of a cracker but that is to be expected after the long night she had. I told her I sent a list with her daddy and hopefully he will bring popsicles home!
