I love to see flowers popping up in the spring. Wish they would stay longer but its fun to look and enjoy while they last! Tulips are my favorite flower. I wish I had a zillion planted. The sweet lady who used to live next door to the Tucker's at the lakehouse had beautiful flowers all along her fence line. She loved her plants. I couldn't help but admire the beauty of her flowers still even though the yard has gone to pot.
